

PRESIDENT'S NOTES

Hey folks, I hope everyone is well and ready to meet once again. October's meeting and class will be in Omaha at the normal place, the information should be listed in this newsletter somewhere. Chris Wegner will be putting on a full day automotive class Saturday morning 8:00 am and our meeting will be Friday night at 7:30pm. If you want to bring swap meet item to try to sell feel free to do so. Elections for Treasurer and Secretary are coming due this year, so that will be handled at this meeting. Next year will be President and Vice President. Jim Reiter want to put on a class next year in the early part of the year. This class will primarily focus on sharing the tips and tricks he's picked up over the years. Please try to think of areas of locksmithing that you want to bring in for next October.

Pre-registering is ideal but if you want to show up and pay the morning of class it's okay. Logistically, it helps me plan for the provided lunch if I have the number ahead of time. That seems to be all that I have at the moment, I there are any questions please contact me from the information below.
