Why choose ACE ALOA Classes?

Ace ALOA classes are some of the finest classes that can be held. Any one that was a President knows that an instructor can cancel on you at the last minute. We have all had that happen to us. ALOA will send a replacement for the instructor if for any reason the one assigned can not make it. We are guaranteed our classes and dates that way. ALOA will make a section in the KEYNOTES Magazine telling all that we are holding these classes. This will help our membership grow.

Presidents Notes

We wish to thank everyone for their support as Joyce lost her mother and then her brother 16 days later. With the light shining brightly, all is well now and preparing for Christmas. Since I have been reelected to the President position, this will be my 7th & 8th year to be your president.

With all the officers help we will grow and continue to enjoy each and every meeting. The most important people in NLA is you the members. We need your 100% support by coming to all the meetings so we will have the funds and strength to prosper. With everyone coming, the total expenses is easy to take care of. That makes it so I can keep the classes at the prices they are now.

Reports are coming in that the PRP test results have been sent out. Ryan Andersen,CRL passed the last test he took. He tells me that Josh Seybert also passed his. We only find out when the members let us know. Congratulations.

I as President have been working on the new year that is almost here. The Presidents job is a busy one. I have been the editor for over 15 years of the 22 years that I have been with NLA. He lines up the classes. Gets the hotel. Takes care of the food and beverages. Receives the materials that are shipped in for the classes. Picks up the instructor and takes him back to the Airport when he is done. Makes sure we have a written contract with each hotel so we are guaranteed the hotel will be there for us when the date comes. Hotels have been sold and names changed so I have to be in contact with each and every one of them through out the year. The Quality Inn Suites sold and the new name is New Victorian Suits. They have 2 hotels and so one is in Lincoln, NE. and the other is in Norfolk, NE. Room rates are very reasonable. \$50.00 for Lincoln, and \$48.00 for Norfolk, NE. We at this time do not have a contract with Norfolk New Victorian Suits but verbally it looks real good.

I am now working to find someone that can teach us some sales tax laws for Locksmiths. I do not at this time have any leads but working hard on it. If I can get it, it will be Jan. 18,2007 (Friday night) in the meeting room that we will be using for the Saturday class. See you all Jan.18, 2008.

President, Elmer Howard
Hospitality, Joyce Howard

SERVICING ALUMINUM STORE FRONT DOORS ACE ALOA CERTIFICATION CLASS

Instructor: David Thielen, CML

Members that pay the additional lab fee of \$15.00 for the test may take PRP Section L-05 at the end of the class.

January 19, 2008 Hotel 402-464-4400

Location: New Victorian Suites See map on previous page.

Learn about aluminum storefront doors and frames, and their unique hardware. Door/frame construction, locks, closers, pivots, and other hardware will be presented with an emphasis on installation, servicing, adjustments, and retrofitting techniques.

Improving security on these doors will also be discussed. Some hands-on will be involved. Handouts will be included in the class. Students will have the option of purchasing the "Aluminum Stile Door Service & Repair Manual" by Jake Jakubowski for a special reduced price of \$100.00. This is not a requirement of the class but only if you would like to have this special book that gives you full detail of anything you will be doing to the doors. It has many pictures in it also.

MATERIALS THAT YOU NEED TO BRING TO THE CLASS: Because it is a hands on class also you will need Allen Wrenches and a set of Screwdrivers. (Regular Philips screwdriver, Regular straight screwdriver, (them might be sized as a #2) These are not special sizes but what you use everyday. A small Philips screwdriver and a small straight screwdriver.

This is a very high interest class as it affects every locksmith in the field. Everyone of us have to rekey, repair, and after this class be able to change the pivots with no worry of thinking we might fail if we try it.

Lunch is provided with no extra charge. Everyone Friday night at 6:00 P.M. will meet in the lobby to go to eat together as we always do and then app. 7:15 Friday night everyone will gather in the meeting room to socialize. I am working on trying to get someone to come in for a hour or two and guide us on the Sales taxes we have to charge. If in the event we do not get a tax instructor we still will have many things to do and talk about. One is pulling apart a American tubular padlock cyl. To rekey. Other things that will be real surprising to you all.

Keyless Mechanical Lock Servicing Class held Oct. 20, 2007 in Omaha, NE

David Thielen,CML, instructor with President Elmer Howard. ALOA sent many boxes of materials for everyone to work with. The education could have not been any better.

Instructor David Thielen,CML did a great job teaching the class. Everyone had a great day.

Tony Delgado here with instructor David Thielen, and Dale Voigt

Bernard Dobesh center with Chuck Smallcomb working on one of so many locks that was part of the hands on. I will start the bidding for that hat he is wearing. Nice hat. \$10.

This was a very nice classroom and well equipped. Plenty of room and good service. We will be back here next year.

Dale Voigt looks like he is sitting alone at the front table but the man taking the pictures (me) sit beside him. Best seats in the house.

There were lots of hands on and with Almost a full classroom. Only by everyone doing their part and coming and supporting NLA is these kind of classes possible.

Kjell Turner left, Charlie Ward, center and George Huffaker right. We welcome Kjell Turner as he is from Minnesota. He has applied membership with NLA. Nice to have you.

Not only do you get extremely cheap classes (So there is no reason not to have a full classroom) Everyone goes home with some great door prizes, certificates giving you a chance to get a complete free class for the next meeting. Can you afford not to come?

There are plenty of apples, oranges, bananas, coffee, & pop throughout the day for everyone taking the class. No extra charge. Left is Elmer Howard, Pres. & Dale Voigt, Vice-President on right.

These classes that we have are same Price for everyone. If you live in Kansas, Missouri, Iowa, or any other state we welcome you all. Know someone that would like to come? Invite them. Left is Rod Coffman, center is Derek Maynes in black shirt. He is the Rep. for Inter-mountain Lock & Security. Nice to have you.

This association promotes complete families to come for the weekend. The locksmiths take classes and the ladies and kids go shopping. No one is left out.

Left to right is Cristin Fye, Earl Roberts Jr., Calvin Fye. Earl Roberts Jr. bought Don's lock shop in Grand Island. Earl app. For NLA membership.
