**PRESIDENTS NOTES:**

A few days after our January meeting, we listed our home for sale. It was sold three days later. We started moving to our new home on Feb. 17th. It has been a very busy time. I'm taking a day or so "off" from moving, to get this newsletter printed and mailed.

Our April class will be an opportunity for everyone to share something they have learned from experience or that they have found to work effectively. Perhaps it's a time-saving tool or method or a demonstration of techniques for working on a particular type of lock. Setup time is planned for Friday evening, after supper.

I am looking for available classes for October. We also need to plan ahead for 2019.
