### **Why choose ACE ALOA Classes?**

Ace ALOA classes are some of the finest classes that can be held. Any one that was a President knows that an instructor can cancel on you at the last minute. We have all had that happen to us. ALOA will send a replacement for the instructor if for any reason the one assigned can not make it. We are guaranteed our classes and dates that way. ALOA will make a section in the KEYNOTES Magazine telling all that we are holding these classes. This will help our membership grow.

## **Presidents Notes**

We are now entering the third quarter of the year for NLA. As we look back at the year so far it has been pretty good. We have desperately tried to increase the amount of attendance coming to the meetings. Offering the finest classes at a monomial cost. These classes are supposed to be \$150. And are if you go anywhere else and take them, with the meal it is. We are holding it at \$45.00 and if there is a book to buy we ask you pay half of the price of the book. Our July turnout was impressive. That is what we need. We have to have the members come to these classes as only in volume of members can we do what we are doing. I am figuring these classes with a full classroom. Bring a locksmith friend and he has a real good chance of getting the class totally free due to the kindness of John Firestine who is paying for 3 extra people to show up at these classes.

This is not a continuing thing of having ALOA ACE Classes each time there is a meeting. We are working to bring in new membership. If you know anyone that is a locksmith, try to talk him into coming. For everyone that is a member now and comes to the classes gets the finest education they can ask for. Each class has been picked by you, the members.

Our next meeting should be of high interest to everyone. It is time for voting for President, Vice President, and Secretary. Anyone interested in becoming part of the leadership roll please let us know. I have now been a member of NLA for 22 years and have held a office position or editor for most of the time. I would like to be just the editor and let someone else take the Presidents Position. Where the classes are all set up for the next complete year, part of the duties is already done. I will consider staying on if need be.

Joyce and I want to thank NLA for the beautiful flowers sent as Joyce's mother passed away.

President, Elmer Howard

Hospitality, Joyce Howard.

# THE ANNUAL SWAP MEET AT NORFOLK NEBRASKA

One of the events that everyone looks forward to. It always is shaded by the time that the Swap Meet starts.

Early bird gets the goodies. Just ask Dave Horstman as he is the one that is in the box. Money talks here at these swap meets so you see Ryan Andersen has his billfold in his hand.

Right to left is Maurice Kruckenberg, Rodney Coffman, Dale Voigt, Mark Voigt. Dale & Mark are looking at some drill bits that Rodney and Maurice sell. They are good quality drill bits.

Mavis Reiter sitting in the selling seat. Jim Reiter is standing and Eugene Hansen is checking out the products.

Don Tracy left and Jim Hoffman right. Even if your needs are small, its fun to come and browse. Looks like there are some things in that vehicle.

Saturday is class day. Lloyd Selibert, CML was the instructor. Many different locksmiths said that it was the best Masterkeying class they had ever took. It was great.

**Smiley Desgranges left with Lee Moyer center, Don Tracy right. They were checking out a complete case of boxes of keys.**

**Lloyd Selibert, CML. Lloyd is one of the premium instructors that keeps the class up and going all day. Never letting anyone get lost. He did a fabulous job and we are looking forward to the next time he comes back.**

**There were lots of hands on and everyone got a most complete masterkeying book to keep that was worth half of the cost of the class to start with.**

**As shown here great classes come when everyone attends the classes to help support it. No matter what the age is, everyone always learns new things.**

**Not only do you get extremely cheap classes (So there is no reason not to have a full classroom) Everyone goes home with some great door prizes, certificates giving you a chance to get a complete free class for the next meeting. Can you afford not to come?**

**There are plenty of apples, oranges, bananas, coffee, & pop throughout the day for everyone taking the class. No extra charge.**

**These classes that we have are same Price for everyone. If you live in Kansas, Missouri, Iowa, or any other state we welcome you all. Know someone that would like to come? Invite them.**

**This association promotes complete families to come for the weekend. The locksmiths take classes and the ladies and kids go shopping. No one is left out.**

**Everyone that came to the weekend when this was taken still are laughing. George Huffaker (master magician) put on a show everyone will remember.**
