Your President's News

Merry Christmas to everyone. This year Christmas even looks more like that time of the year with all the snow that we have received.

Our January class will be a good one with one of the greatest instructors. Jim Watt, CML teaches for ALOA. I am really excited to see how to impression the tubular locks as that is something I have never done.

There is reason to believe that we were supposed to have had some elections at the last meeting, so we will have to take care of them January 20th in Grand Island.

Merry Christmas and Happy New Year to all!

Your President and Wife ,
Elmer & Joyce Howard

Dates To Remember

Here are the next meeting dates and places. We'll be lookin for ya!

- January 20, Grand Island, NE
- April 7, Omaha, NE
- July 21, Norfolk, NE
- September 27,28,29,30, Omaha, NE(M.I.N.K.)

NLA Meeting Minutes

Nebraska Locksmith Association October 21, 2000

The fall meeting of the NLA was held on October 21, 2000 at the Norfolk Country Inn, Norfolk, NE. The meeting was brought to order at 8:00 a.m. by president Elmer Howard. The secretary read the minutes of the July meeting. Motion to accept minutes as read was made by Don Tracy, 2nd'd by Phil Squibb. Motion carried.

The Treasurer reports a beginning balance of \$3,872.74, plus total deposits of \$489.18, minus total payouts of \$701.49, for an ending balance of \$3,660.43. Motion to accept report as read was made by Steve Oberg, 2nd'd by don Christensen. Motion carried.

Old Business: Don Christensen and Will Clark researched companies for NLA patches. Some bids came in too late to take into consideration. They were ordered and Bernard Dobesh has them for \$1.00 each. You can call Bernard at (308) 381-4440 if you would like one mailed to you. They will also be available at the January meeting. Some members were interested in key storage boxes. As Associate Member, ABC Lock Co. of Council Bluffs, IA, has them. If you mention that you are a member of NLA, you will receive a discount.

New Business: Two of our Associates are no longer members. Omaha Wholesale Hardware and Timemasters, Inc. have been replaced by Smallwood Lock Supply and Midwest Hardware. The addresses and phone numbers are listed in the back of your newsletter. Please purchase your supplies from our Associate Members when possible. They supply us with technical support and door prizes.

Elmer Howard has a new phone number. His number is now (402) 676-8973.

A motion from the floor was made to have the October 2001 meeting during the MINK convention. MINK is scheduled for September 27,18,29, and 30 of 2001. It was

put to a vote of the membership, motion carried. Elections for President, Vice President and Director will be held during the NLA meeting held during MINK, so please plan to attend and make your vote count! All of these folks were in for 2 terms and their terms will be up. Start thinking about your nominations. There was a lot of confusion as to whose term in office was up for reelection in this meeting. Much discussion came from the floor. There seems to be 2 or 3 revisions in the By-Laws, which added to the confusion. It was decided to research the By-Laws and bring it up in the January meeting.

Dates to remember in 2001 are: January 20, Grand Island; April 07, Omaha; July 21, Norfolk; September 27,28,29, and 30, Omaha (MINK). The membership decided to have 2 in Omaha in order to accommodate the classes that are being brought in.

Maurice Kruckenberg had some Sentry Safe service manuals printed. If you are interested, please contact Maurice.

Bernard Crist sent a "Thank You" note to the membership for sending him a card and thinking of him in his time of need. He really appreciated it.

Motion to adjourn was made by Bob Christoffer-son, 2nd'd by Maurice Kruckenberg. Motion carried, and door prizes were handed out.

Respectfully Submitted,

Tony Delgado, Secretary
