Your President's News

3

We were saddened to hear about Bob Schoonover's death. Our sympathies go out to his wife, June, and his family.

We would like to thank E. L. Reinhardt Company for sponsoring the Strattec Class in January. It was great to have Kenny Sternig attend as well. Fred, the Strattec Instructor, told us that NLA had the second largest class in the USA in the last year. He was very impressed with our attendance and how interested the locksmiths were in learning.

We are looking forward to Bruce Eagan, who will be teaching the class in April in Omaha. Bruce has told us that he will only take 25 class participants. We are looking at the Settle Inn in Omaha as a possible location for next years MINK. While you are there look around and let us know what you think about it.

Voigts, Hansens, Howards, and Velma & I had a very good time at the South Dakota meeting in Sioux Falls. Thanks, Bernie & Vivian.

Keep looking for Spring!

Your President and Wife,

Bernard & Velma Dobesh

INSTRUCTOR: BRUCE EAGAN

Remember Bruce from our class last April? Bruce is confirmed as our instructor for the Schlage "L" Series Mortise lock. Bruce keeps us involved all day.

Bruce Eagan, CML, Product Training Manager with Ingersoll Rand will be teaching how to disassemble, fix, change function, and re-assemble the "L" Series lock. He has over 21 years in the lock industry. He designed the Vandanguard Lock and the D-lock Spring Cage, among many other things. This will be an excellent hands on class. Bruce goes step by step to keep the new locksmith as well as the experienced locksmith on the same page. As this is an involved class Bruce says he can only teach 25 people. We encourage you to reserve your place in this class now, as you won't want to miss this information presented by one of our best instructors.
