PRESIDENTS NOTES

Greetings from your President. It is nice to have the weather warm up. Hope you are having an opportunity to enjoy it. Velma is now home from the hospital and recuperating. We want to thank all of you for your prayers. Thoughts, phone calls, cards, and visits. It is so comforting to belong to such a caring group of people at a time like that.

The industry has again been hit hard with the loss of a fellow safeman and friend. Keith Knott passed away at his home recently. He will be greatly missed by locksmiths accrossed the country.

I want to thank you for the great attendance at the January class and meeting. It is always encouraging to see your cooperation. Velma & I look forward to seeing all of you in Lincoln for another one of Bruce Eagan's Fantastic classes on April 24th. Be sure to mark your calendar for July 24 in Norfolk for a very dynamic class that John Reed has put together regarding marketing and other pertinent things about business operations.

We are excited about the way things are progressing for MINK. We will have a meeting of the Chairpersons following diner on April 23 prior to the board meeting. This will be approximately 7 P.M. at the Settle Inn in Lincoln.

**See you all in Lincoln,
Bernard & Velma Dobesh**
