Your President's News

3

I want to remind you that in October we will be voting on whether we will continue to be a part of MINK. I am requesting that you plan to be there so we have a good representation of the members thinking on this. We will vote by written ballot. The meeting will be held in Lincoln, and the class scheduled is the HPC Class on software.

We have tentatively scheduled the class in January for Stratec in Grand Island, and the April class is Bruce Egan, Ingersoll Rand, Changing the Function and Servicing the L Series Lock in Omaha. Bruce is the instructor we all enjoyed last April in Omaha.

We have had a request that we pay for our classes by check. Our treasurer, Tony, says this will be helpful for him to be sure everyone is credited for payment. As your former treasurer I understand this request. The morning of class can be very hectic.

We are looking forward to seeing you in Norfolk on July 27th. Floyd Robley is the instructor for our impressioning class. He is the one that made impressioning a reality for me. I had tried to impression locks and had taken several classes but had very little success with it until I took Floyd's class.

Remember to bring your wife, the gals always have a lot of fun.

Your President and Wife,

Bernard & Velma Dobesh

NOTE FROM HOSPITALITY CHAIRMAN

Rooms have been blocked at the White House Inn in Norfolk for our week end. However, they will only hold the rooms until July 6th. The rates are \$45 for 1 bed and \$50 for 2 beds. Be sure to ask for the NLA rate. Since this is summertime we suggest you get your room reserved by July 6th. If they have rooms available after that date you will still get the NLA room rate. We received a call from the manager at the White House Inn in Norfolk on June 17th. They have people wanting to book rooms for a wedding the same week-end we will be there. Any of our blocked rooms that are not reserved by July 6th will be taken by the wedding guests. I suggest you book a room and then cancel it later if you find you cannot attend.

NLA Meeting Minutes

Nebraska Locksmith Association April 20, 2002

The April 20th meeting of the NLA was held at Omaha, NE at the Howard Johnson's Plaza Hotel. The meeting was brought to order by Bernard Dobesh, President.

The minutes were approved as read, there were no additions or deletions.

The Treasurer's report was given by Treasurer Tony Delgado. As of April 21, 2002 we have a balance of \$5,245.36.

As of the April meeting, we still have an outstanding bill from the MINK convention. The instructor has not submitted his bill.

New member Tony Grimes was accepted into the Nebraska Locksmith Association.

MINK was brought up again and it was put off so that the membership could reflect on whether or not we should continue the convention. The years NLA hosts MINK, we experience a financial loss on the convention. Members will soon vote on the issue. Elmer Howard gave his report on the last MINK.

Members were reminded of the availability of the video library.

Motion to adjourn was seconded, motion carried.

Respectfully Submitted,

Dale Voigt, Secretary

July Meeting

2206 Market Lane
Norfolk, NE

If you are even thinking about attending this meeting and/or class, please, *please, please*, make your reservations as soon as possible. We have been informed that the White House Inn will not be able to hold our rooms beyond July 6. Those blocked for NLA after July 6 will be up for grabs by anyone. They also have a wedding party wanting to make reservations for the same weekend. At \$45 per night for 1 bed, or \$50 per night for 2 beds, it would be tough to find a better value for the weekend.

Time is of the essence. Please make your reservations now! (Make sure you mention you are with the NLA when you call!)

INSTRUCTOR: FLOYD ROBLEY

Floyd had his locksmithing shop in Nebraska City for 10 years. Impressioning was responsible for 18% to 20 % of the income of that shop, as he impressions all types of locks. Floyd says it is really fun to walk out with a customer to a pickup and while you are standing there talking with them, impression a key to the tool box, in just a couple of minutes.

We will be impressioning different types of locks in the class. If you have a lock that has been giving you trouble, please bring it along. Files, locks, impressioning plates, keys, and some vise grips will be furnished. The only file to be used in the class is the one that is being furnished to you. If you have a file handle, or vise that either clamps or suction to a table without damaging the table, please bring it. Class price is \$50. and includes an impressioning file and plate that you will take home with you. Coffee, pop and rolls will be furnished. Lunch is on your own.

Editor's Note

I just wanted to pass along what I personally heard recently. I was talking with Nelda Minick (wife of Tommy Minick, a recent instructor) and Harry Sher (who has also taught in Nebraska), and they had wonderful things to say about the NLA wives. Nelda was impressed with the ladies and how we all enjoy one another's company so much. Harry said that his wife, Bonnie, loves to come to Nebraska to spend time with the gals.

A big pat on the back to the NLA wives for making everyone feel welcome!
