EDITORS CORNER

I want to thank everyone for making me a Life Member of the Nebraska Locksmith Association. It is a honor that is earned and not something that comes automatic. July 28, 1985 I was approved as a new member. Now 19 years later, there has been many great years with NLA. I held many positions in this period of time. My first class I taught was in Oct. 1985 on Car Openings. Since that time I have been Editor, Secretary, Vice President, President, Director, and once again Editor. Classes that I have held was Car Openings, Simplex, Electronic Locks, Sentry Safes, Simplex manipulation, Safe manipulation, other safe related classes.

President Bernard Dobesh informed me that the members want to get back to the Friday night Classes. I extremely encourage everyone that can make it to attend these classes. I will be teaching the first class in January, 2005. Gene Hansen will teach the next one. We will take turns. Things to look forward to in my classes to come will be lots of new tricks to the trade. Opening the Sentry S Series dial safes in less then 5 minutes without damage or evidence it was opened. Lots of new things coming. Have something you would like to see shown in the class? Call me and let me know and it will happen. Classes will be from 7:00 P.M. to 9:00 P.M. Friday nights.

Your Editor,
Elmer Howard.

Presidents Notes

I want to thank everyone for coming to the April Class in Lincoln. We always learn a lot and have a good time when Bruce teaches the class.

We have a good Safe Deposit Box Class put together for the meeting on July 24, in Norfolk. Mick McManis is coming to teach us more. We have been busy getting things going for MINK and verifying that we still have all our instructors as scheduled. I will be contacting each Chairperson to see what's done and what we can do to help them. All the chairpeople can feel free to contact us if they have any concerns.

Velma will finish her treatments tomorrow. It has been a long 35 treatments but very well worth it. She is doing better and hopes of continuing to improve. We thank all of you for your care and prayers.

It has been brought to my attention that some would like to do Friday night Clinics again before our Class day. In January we plan to have something prepared for those of you who want to get some extra tips and knowledge. This business is all about continuing to learn and we want to promote that to the fullest degree.

Looking forward to seeing you in Norfolk in July.

**Best regards,
Bernard & Velma**
