Your President's News

Well, another busy summer has slipped by us all. We'd like to thank all of those who showed up for the class and meeting. It's always nice when we can get together with all of our NLA friends.

MINK should be a great show this year. Sounds like our friends in Missouri are doing a wonderful job at getting everything lined up. Not an easy job for anyone!

Our next class will be "Alarm Lock Presents" taught by George Hall. This class does have a limit of 25 students, so if you are interested please get your registration forms in as soon as possible. George will have two other instructors with him for this all day hands on class.

Looking forward to seeing everyone in Norfolk in October!

Your President and Wife ,

Elmer & Joyce Howard

NLA Meeting Minutes

Nebraska Locksmith Association July 8, 2000

The July 8 meeting of the NLA was held at the Best Western Airport Inn, Lincoln, NE. The meeting was brought to order at 8:00 am by president Elmer Howard. A motion was made to accept the minutes as printed. Motion carried.

The treasurer reported a beginning balance of \$2951.90 plus total deposits of \$3421.06 minus total pay-outs of \$2500.22 for an ending balance of \$3872.74. A motion was made by Lee Moyer and 2nd'd by Eugene Hansen to accept the Treasurer's Report as read. Motion carried.

Old business: A motion was made by Don Chris and 2nd'd by Bob Christoffersen to stop sending correspondence to our inactive members in order to keep the cost down. This is due to the high cost of Printing, Publishing and Postage. The list of inactive members and their last year paid includes: James Winslow (1997), Randal Polson (1997), Robert Schoonover (1997), Douglas Herman (1996), Loyd Engelhart (1997), and Joel Schneider (1992). We wish we could continue to send out correspondence to everybody but just can't continue to keep them on the mailing list. Motion carried.

Good of the order: We need suggestions on classes the membership would be interested in. There was a great deal of discussion from the floor. Some of the suggestions were; Interchangeable Cores with Curtis Robinson, Profitability Course, The Business Side of Locksmithing (pricing services, etc.), Transponders, Car Alarms, Car Repossession, Electric Strikes, Kwick Set Locks, Wieser Locks, Schlage Locks, HPC, Basic Safe Service, Lock Picking, Forensic Locksmithing, Ace Tubular Locks,

NLA Meeting Minutes

Tricks of the Trade, Installing Knob Sets and Deadbolts, and The Derterminate. If you are interested in taking one or more of these classes, or a class which was not mentioned, please contact one of the officers. Their phone numbers and e-mail addresses can be found on each copy of the newsletter.

New Business: Members have been asking for NLA patches, which we have no more of. Don Christensen has received two bids from uniform companies in Omaha. The lowest bid was \$0.86 each with a 100 minimum. A motion was made by Dale Voigt and 2nd'd by Eugene Hansen to order 100 patches from the lowest bidder. Motion carried.

Eugene Hansen and a few other members have started a recycling program. If you have any used parts or machines that you no longer need or want and you would like to trade or sell them, please contact Eugene Hansen.

If you would like to inform the association, please feel free to contact Larry Sands, your editor. Larry & Paula Sands do a tremendous job as your editors. They work lots of hours preparing your newsletter and do a very impressive job. From the floor at the meeting came a special "Thank You" Larry & Paula for the fine job that you are doing. If you would like something printed in the newsletter, please call them early enough to get it in print.

A motion to adjourn was made and 2nd'd. Door prizes were handed out.

See you October 21, 2000 in Norfolk, NE!

Respectfully Submitted,

Tony Delgado, Secretary
